## RESIDENT FOOD STORAGE

Food brought in by family or other visitors will be handled in a way to ensure the safety of the residents.

## **PROCEDURES**

- 1. Food items brought in for residents by families or visitors for residents are checked with the nurse to ensure consistency with prescribed diet order(s).
- 2. Food items that are already prepared by the family or visitor brought in must be labeled and dated.
  - a. The facility may refrigerate label and dated prepared items in the refrigerator.
  - b. The prepared food must be consumed by the resident within 3 days.
  - c. If not consumed within 3 days, food will be thrown away by facility staff.
  - d. The facility will not be responsible for maintaining any reusable container.
  - e. Staff will re-heat foods as needed when that food item is at the appropriate diet consistency.
- 3. All food items brought in that are manufactured and do not require refrigeration, may be kept in the resident room, preferably in a sealed container.
- 4. All items not maintained are subjected to being thrown away if not removed by the resident and/or resident representative.
- 5. If any part of this policy is not followed, the facility reserves the right to protect others by not allowing food items to be brought into the facility for a resident.
